

October 2021

Dear Friends:

Are you a member of Brethren Housing Association's (BHA) Planned Giving Society? By including BHA in your will or a deferred gift arrangement, you can play an important part—along with other members of the Planned Giving Society—in helping future generations of families actualize their God-given potential through your stewardship plans.

Presently, we are updating our Planned Giving Society records. If you have made provisions in your will or through a deferred gift that will benefit Brethren Housing Association, would you please help us update our records by filling out and returning the enclosed response sheet by November 30, 2021. As a Planned Giving Society member, you are preserving BHA's rich heritage and making a significant impact on the lives of families who are seeking to find stable housing and to build invaluable life skills to set them up for a bright future. If you are not a member, we cordially invite you to join this special group of individuals who care deeply about Brethren Housing Association. A gift in the will, regardless of size, will carry an eternal impact.

By including BHA in their estate plans, entering into a deferred gift arrangement, or establishing an endowed fund, Planned Giving Society members secure BHA's future by:

- creating endowed funds to assist our families in advancing themselves
- funding capital projects to enhance the living environment
- helping perpetuate the mission of BHA for generations to come

If you qualify as a Planned Giving Society member, would like to become a member, or would like additional information; please feel free to contact us at 717-233-6016 ext. 22 to discuss any questions or comments that you may have. We are happy to assist you with your questions and desire to thank those who have already included BHA in their stewardship planning. Planned Giving Society members serve as a wonderful model to encourage others to include Brethren Housing Association in their estate plans.

Thank you for prayerfully considering our invitation to join the Planned Giving Society.

Kind Regards,

Kait Gillis-Hanna
